Sir,

Sub:- Training - Sri T.S. Vaidyanathan, Laboratory Assistant, Wellesley Tuberculosis Sanatorium, Bellary - Training in the Medical College, Madras, instead of at the King Institute, Guindy - sanction requested.

Ref:- G.O. Ms. No. 3062 P.H. dated 9-9-48.

Sri T.S. Vaidyanathan, Laboratory Assistant, Government Wellesley Tuberculosis Sanatorium, Bellary, reported himself for training at the King Institute, Guindy, on 25-9-48 forenoon. The Director, King Institute, Guindy in his letter Rc. No. 23887/C2/48 dated 27-9-48*(copy enclosed), has reported that there is no suitable Bio-Chemist in the King Institute, Guindy and suggested that Sri Vaidyanathan may be sent to have his training in the Bio-Chemistry Department of the Medical College, Madras. He was accordingly directed to report himself at the Medical College, Madras, for training in Bio-Chemistry work in anticipation of sanction of Government where he joined on 6-10-48 forenoon. The Professor of Bio-Chemistry Department of the Medical College, Madras, has reported

that

that a minimum period of 3 months is essential to train the Laboratory Assistant in routine bio-chemical work. It is, therefore, requested that the period of training of the above Laboratory Assistant at the King Institute, Guindy and the Medical College may kindly be sanctioned from 25-9-48 i.e. the date of joining at the King Institute, Guindy, to 5-1-1949 instead of six weeks sanctioned in the above G.O.

Yours faithfully,

21/10

for Surgeon-General with the Govt. of Madras.

*Copy of letter.

Mr. Vaidyanathan, laboratory assistant, Wellesley Sanatorium, Bellary, was to undergo training in the King Institute, Guindy for 6 weeks and we agreed to give the training from the date of his reporting at this Institute. Mr. Vaidyanathan has now reported at this Institute and from the letter which he brought from the District Medical Officer in-charge of the Government Wellesley Tuberculosis Sanatorium, Bellary, I understand that Mr. Vaidyanathan is to be trained in Biochemistry. We have no suitable biochemist in this Institute. I would therefore request you to make arrangements to send Mr. Vaidyanathan to have his training in the Biochemistry department of the Medical College, Madras. I will relieve him as soon as I hear from you on the matter.
